

## Scheda Dati

010VD  
Tyhjennystulppa M12 ja lukkomutteri

## Caratteristiche

|                  |                                     |
|------------------|-------------------------------------|
| Range            | Venttiilit                          |
| Componente       | Tyhjennystulppa                     |
| Code             | 010VD                               |
| Kuvaus           | Tyhjennystulppa M12 ja lukkomutteri |
| Väriä            | Nero                                |
| Peso             | 5,0                                 |
| Tariffa doganale | 85381000                            |
| GT               | 8052878064495                       |

## Dati tecnici

|                        |                                       |
|------------------------|---------------------------------------|
| Approvals              | CE                                    |
| Operating temperatures | -20° ÷ +100°C                         |
| Housing material       | PA Polyamide                          |
| Protection degree      | IP66 (IEC-EN60529)                    |
| Tightening torque      | 0.5 ÷ 1.0Nm (4.4÷8.8 Lb-in) all types |
| Warranty period        | 18 months                             |
